

Institute of Practical Psychophysics

ISO 13485:2003 & EN ISO 13485:2012

Dear partners,

Institute of Practical Psychophysics (Omsk, Russia), developer and manufacturer of hardware-software systems “Metatron”, did not sign dealer agreements with "Metatron Australia" and "Sydney Metatherapy" companies.

Best regards,

A handwritten signature in blue ink, appearing to read 'Nesterova', with a horizontal line extending to the right.

Vera Nesterova

Director of Institute of Practical Psychophysics
